Introduction

This directory provides a list of Blue Medicare Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You must choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you should get your health care services from your PCP. You may call customer service at the number on the back of your ID card to add or change your PCP at any time.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Other providers are available in our network.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Medicare Advantage will be responsible for the costs.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, Blue Medicare Advantage may move you to a network hospital for part of your stay after you are stabilized. If you choose to continue services at the out-of-network hospital after your discharge, your stay will not be covered unless your service is Prior-Authorized.

How do you find Blue Medicare Advantage providers in your area?

This provider directory is a subset of our network and includes list of providers in the general geography around and closest to your home. There may be other providers in our network outside our service area and you may locate them on our web site or contact customer service at the number on the back of your card for assistance.

If you have questions about Blue Medicare Advantage or require assistance in selecting a PCP, please call our Customer Service Department at 1-866-508-7140 (TTY: 711), Open seven days a week from 8 a.m. to 8 p.m. You may reach a messaging service on weekends and holidays from April 1 through September 30. You can also visit <https://www.medicarebluekc.com/find-care>.

We offer other services like Over-the-Counter items, Eyewear or Dental benefits. If your plan covers them, you can find more information about how to access those services in your Member Handbook or by calling customer service at the number on the back of your ID Card.

Blue Medicare Advantage 2024 Pharmacy Directory

Pharmacy Introduction

This provider directory is for the Kansas City Metro area. There may be other providers in our network outside our service area and you may locate them on our web site or contact customer service at the number on the back of your card for assistance. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Medicare Advantage's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of the date indicated in the footer. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is a subset of our network and includes list of pharmacies in the general geography around and closest to your home. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact call our Customer Service Department at 1-866-508-7140 (TTY: 711), Open seven days a week from 8 a.m. to 8 p.m. You may reach a messaging service on weekends and holidays from April 1 through September 30 or visit <https://www.medicarebluekc.com/find-care>.
